ASPIRE MONET & REMBRANDT LIFT RECLINE CHAIRS – ARRIVING SOON!

We are pleased to announce two luxurious new additions to the Aspire lift recline chair range – the Monet and Rembrandt.

The Monet Dual Action offers independent control of back, leg and headrest functions, giving the user infinite positioning options at their fingertips. The heated function provides warmth and comfort during the colder months whilst Zero Gravity tilt-in-space positioning creates a feeling of weightlessness and promotes pressure redistribution.

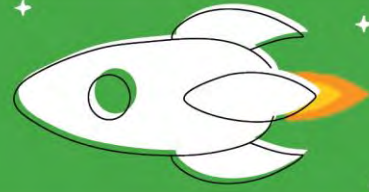

The Rembrandt Quattro offers a unique seating experience. With independent control of back, leg, lumbar and headrest functionality, the user has infinite positioning options with the press of a button. Genuine shiatsu massage coupled with optional heating function gives users a truly unique and luxurious comfort experience. Zero Gravity tilt-in-space positioning creates a feeling of weightlessness and promotes pressure redistribution.
